### COMMENTS:

The June 4, 2003, amendments deleted the provisions regarding the convening of an Economic Development Accountability Task Force that would have been comprised of members from various private sector groups and government agencies, including the executive officer (EO) of the Franchise Tax Board. The amendments inserted a provision that would amend current law regarding the California Economic Development Strategic Plan. Thus, the bill would no longer impact the department's programs and operations or state income tax revenue.
